Long/Lat: -83.763701, 41.059232 (north unit), -83.770009, 41.056742 (south unit)

Description: Litzenberg Memorial Woods is characterized by rolling countryside, wooded ravines, and a grand expanse of wetlands, prairie, and sky. It blends the rich agricultural heritage with conservation and wildlife, education and history, hiking and exploration, picnicking and play, and social gatherings and special events to create a unique destination. The park's north unit showcases the historic 1847 McKinnis House, playground, trails, and rental facilities, including a picnic shelter and the Activity Barn. The park's south unit highlights a conservation area, the Heritage Trail, and the 2.57-mile Southland Trail for hiking and horseback riding. Visitors can escape for a while or go back in time at Litzenberg Memorial Woods.

13. Village of Gilboa Park

Long/Lat: -83.922331, 41.022028

Description: An extremely large bull monument stands along U.S. Route 224 to welcome visitors to the quiet little village of Gilboa. The bull reaffirms the area's agricultural heritage in northwest Ohio with its location across from the local grain elevator. Facilities include picnic shelters, gazebo, play apparatus, grills, pedestrian bridge, restroom facility, and benches overlooking an open play area and meandering stream.

14. Blanchard River Bridge

Long/Lat: -83.92219, 41.016159

Description: Blanchard River Bridge is one of the few remaining Through Pratt Truss bridges in the area that span the Blanchard River. Built in the 1800s, it has withstood the test of time, including several major floods and traffic. The bridge is on the list of Historical Places. It's a nice spot for holding hands in a quiet country setting—before or after a stop at Hillside Winery.

15. Hillside Winery

Long/Lat: -83.9223, 41.0169

Description: "A must-stop on the Old Mill Stream Scenic Byway, Hillside Winery sits on the bank of the Blanchard River, in the historic town of Gilboa, Ohio." Open Thursday-Sunday (hours vary). Amenities include indoor stone fireplace, gift shop and serving area, indoor seating, outdoor seating, and outdoor patio with pergola. Wines by the bottle or glass are available on the premises or bottles of wine can be taken home. Fine bourbons, light appetizers, including flatbreads, old fashioned sodas, and bottled water are also available. Plan ahead to enjoy wine, an appetizer, and live music. For more information, visit www.thehillsidewinery.com.

16. Gilboa Quarry

Long/Lat: -83.933481, 41.015971

Description: Gilboa Quarry is a premier site for diving and dive training. It offers large training platforms and many sunken treasures. Non-divers may enjoy snorkeling for paddlefish. Camping and lodging are available. Vertical Reality Training Center (www.verticalrealitytrainingcenter.com) manages the climbing wall, rappelling, and zip lining services. Swimming and fishing are not permitted. Entrance fees are required for divers and non-divers. For more information, visit divegilboa.com.

17. Waterworks Park

Long/Lat: -84.036233, 41.021003

Description: Waterworks Park is named after the waterworks building, which was constructed in the early 1900s and is regarded as a fine example of early twentieth-century development. It served as a water pumping facility until the 1970s. No longer in service, the building remains as a centerpiece within the park. Waterworks Park includes a shelter with an outdoor fireplace, gazebo, playgrounds, shuffleboard courts, benches, log house used by scouting groups, forested common area offering seasonal beauty, and a senior center. An annual membership is required to participate in activities and events.

18. Ottawa's Third Street

Long/Lat: -84.041548, 41.020341

Description: Ottawa's Third Street is a one-mile-long brick street lined with historical Victorian and modern day residential homes with shade trees to provide a scenic view. The brick street was added in the early 1900s. Third Street, which is a pleasure to drive, leads to and from Waterworks Park.

19. Hotel DuMont/Schnipke Inn

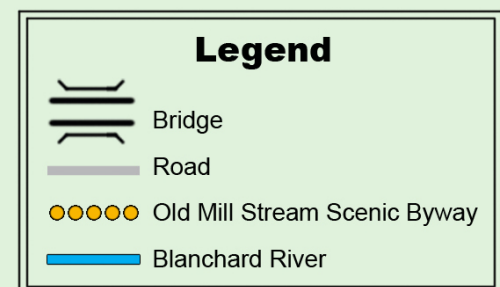

Long/Lat: -84.049286, 41.019267

Description: Hotel DuMont was constructed in the early 1900s. It had steam heat, indoor plumbing, and lighting supplied by electricity when it opened. Today, the Schnipke Inn operates as a restaurant at the same location. Exhibits are dedicated to the history of the building. Drive the Old Mill Stream Scenic Byway, play all day, enjoy a meal and a bit of history at the Schnipke Inn, tour Ottawa's Main Street and its unique shopping destinations—all within easy walking distance, and then relax at Our Lord's Park located directly across the street from the Schnipke Inn. The park offers a fountain, benches, and a quiet place for reflection. For more information, visit www.ottawaohiochamber.com.

20. Glandorf Park

Long/Lat: -84.0792, 41.0329

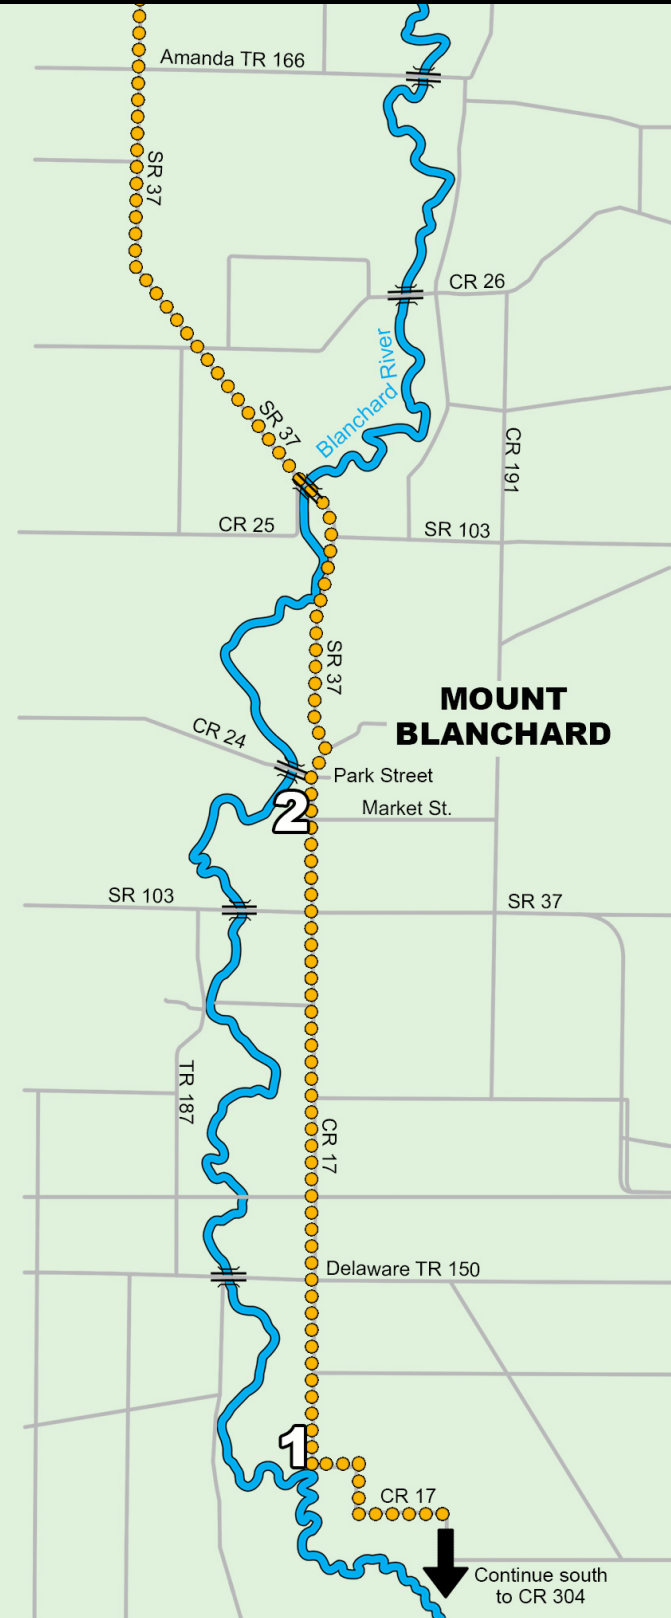

Description: Glandorf Community Park symbolizes community pride and unity with its history of park development. It offers an impressive display of recreational facilities, including baseball fields, soccer fields, horseshoe pits, playground, mini golf course, shelter house, gazebo, walking paths, shuffleboard courts, landscaping, restroom facility, and numerous plaques throughout the park recognizing donors, volunteers, and memorials.

The Old Mill Stream Scenic Byway follows the Blanchard River along U.S. Route 224 and State Route 37 in Putnam and Hancock counties. The byway takes its name from the 1910 hit song, "Down by the Old Mill Stream." The tune was written by Hancock County native Tell Taylor while he sat on the banks of the Blanchard. The Old Mill Stream Scenic Byway offers its visitors a pastoral trip through the countryside, featuring parks, farms and historic settings.

1. Blanchard River Nature Preserve Long/Lat: -83.556628, 40.844045

Description: Blanchard River Nature Preserve is an undeveloped natural area. It includes 7,200 linear feet of Blanchard River channel, over 50 acres of wooded riparian floodplain, riparian oxbow wetlands, and pools that provide excellent, high-quality aquatic and terrestrial habitat. With a strong emphasis on environmental preservation, visitation is limited to hiking, birdwatching, and photography along a walkway to the river's edge and canoeing and kayaking via a primitive river access site. Blanchard River Nature Preserve provides a quiet country setting and scenic start for the 37.6-mile Blanchard River Water Trail.

2. Island Park Long/Lat: -83.558572, 40.901025

Description: Island Park has a swimming pool, picnic shelters, playground, baseball and softball fields, soccer fields, tennis court, and a bit of history, including a monument to John Chapman, also known as Johnny Appleseed. Chapman purchased property in 1834 in Mt. Blanchard where he had an apple tree nursery. The seedlings were sold to the settlers to provide apple cider, jelly, and other apple products. A local cider mill, Fahl's

Mill, recorded 75,000 gallons of cider being pressed in a season and boasted first place in the cider competition at the Centennial Exposition in Philadelphia in 1876. An old millstone marker is also at the park that came from a local grist mill located south of town called Misamore Mill.

3. Findlay Reservoirs Long/Lat: -83.567216, 41.014317

Description: Two reservoirs covering over 1,000 acres are located near Riverbend Recreation Area. As a valuable water supply, Findlay reservoirs also provide multi-use recreation opportunities. Six public access sites with parking lots and steps or ramps afford good access to miles of shoreline and reservoirs for walking, jogging, boating, fishing, and enjoying beautiful sunsets. When winter conditions are favorable, sledding, cross-country skiing, and ice fishing are permitted. Get away and stretch out. Reward yourself afterwards with a trip to downtown Findlay for dinner and an evening walk, ice cream at Dietsch Brothers on a warm summer night, or shopping and entertainment. For more information, visit www.visitfindlay.com.

4. Riverbend Recreation Area Long/Lat: -83.559384, 41.032151

Description: Riverbend Recreation Area offers diverse facilities and a wide range of outdoor recreation activities amid a natural backdrop bordered by the Blanchard River. With an extensive trail system offering five separate loop trails, visitors enjoy hiking experiences ranging from the 1.2-mile multi-use Loop Trail to the primitive River Trail in the park's backcountry. Horseback Riding, Bicycling, Birdwatching, Disc Golf, Sand Volleyball, Cross-country Skiing, Fishing at Giertz Lake, Playgrounds, Picnicking, Tent Camping, K-9 Field of Dreams Dog Park, Social Gatherings at any one of nine rental facilities, the Historic Bridge leading to the primitive campground, and the Covered Bridge located adjacent to the park on Township Road 241 are just a few of the attractions at the park.

5. Brinkman's Market Long/Lat: -83.6141, 41.0374

Description: Brinkman's Market, located near the corner of Bright Road and Sandusky Street, offers a unique shopping experience with homegrown flavors of seasonal produce and old-fashioned fare. Fresh produce, fresh meats, delicious deli, and fresh baked goods make

for a nice break when traveling the Old Mill Stream Scenic Byway. For more information, visit www.brinkmansmarket.com.

6. Eastpoint Area Long/Lat: -83.61284, 41.03802

Description: Eastpoint Area is a popular wayside destination. It provides convenient access to the Blanchard River Water Trail for fishing, canoeing, and kayaking, affords excellent picnicking opportunities along the riverbank, and provides good access to the Blanchard River Greenway Trail for a variety of fitness and outdoor recreation activities. As the eastern terminus and primary trailhead for the 3.4-mile Blanchard River Greenway Trail, Eastpoint Area is a good place to start.

7. Hancock Park District Administrative Office Long/Lat: -83.623212, 41.041607

Description: The Hancock Park District Administrative Office serves as the headquarters for park district operations. The renovated farmhouse at the end of the lane is your destination for in-person facility reservations, program registrations, and meetings with staff. The grounds are fronted by a meadow management demonstration area bordered by the Blanchard River. Wildlife sightings are common. Information about parks, programs, and services is available inside during business hours and on display 24/7 at the outdoor visitor center. The tranquil setting is ideal for nature lovers and outdoor enthusiasts. For more information, visit www.hancockparks.com.

8. Waterfalls Area Long/Lat: -83.63127, 41.04181

Description: Waterfalls Area is located across from Riverside Park Waterfront. It provides a soothing respite among the waterfall and majestic Sycamore trees. Visitors can access the Blanchard River Water Trail above and below the dam for fishing, canoeing, and kayaking, engage in fitness and outdoor recreation activities along the Blanchard River Greenway Trail, and picnic or just sit quietly at a picnic table or on a bench overlooking the Blanchard River.

9. Riverside Park Waterfront Long/Lat: -83.6321, 41.043

Description: The five primary facilities located along the Riverside Park Waterfront include: Blanchard River Greenway Trail, Riverside Landing Boat Launch, Waterfalls Pavilion, Blanchard River Overlook, and Zonta Landing Boat Rentals. These facilities offer scenic views of the Blanchard River, afford outdoor recreation opportunities, and provide access to the Blanchard River Water Trail. The waterfront is a passive place where park visitors have intimate contact with the water's edge, the chance to witness Mother Nature's ever-changing face, and an excuse to simply getaway. Historic in nature and highly favored, Riverside Park Waterfront is the crown jewel among River Parks located along the Blanchard River Greenway.

10. Great Karg Well Historical Site Long/Lat: -83.65511, 41.043487

Description: Great Karg Well Historical Site features an historical monument honoring the Great Karg Well. Following are excerpts from The Great Karg Well by

Darlene Erdman: "The great karg Well came into existence with a tremendous roar January 20, 1886. It was a visible and stunning symbol of impending change."

"Passing through the 1,144 feet of 5 1/2" diameter pipe was a force which could not be contained for more than four months. Its roar of gas and its towering flame of light ushered in an era of great change and great expectations."

"Returning now to that famous site, one would not suspect that such an event took place. If one could stand next to the marker and close his eyes, do you suppose he could hear the roar, feel the warmth or get taken away by the excitement?"

11. Liberty Landing Long/Lat: -83.693641, 41.056376

Description: Liberty Landing marks the beginning of a popular 9.3-mile float trip on the Blanchard River Water Trail. The trip from Liberty Landing to Blanchard Landing is scenic with frequent bends, narrow sections, and riffles with no known hazards. Wildlife sightings are common. Paddlers will travel along the border of Indian Green-Worden Family Conservation Area and the south unit of Litzenberg Memorial Woods. Without stops and with strong and steady paddling, the trip takes approximately 3 hours.
